

Colorado HB 19-1131 Product Disclosure Details for Colorado Prescribers

The following product pricing and competitor information is being disclosed as directed by Colorado HB 19- 1131. The notice below provides the wholesale acquisition cost ("WAC") and the names of generic prescription drugs available in the same therapeutic class as Crinetics Pharmaceutical, Inc.'s products based on the product label indications. The information provided herein is accurate as of September 2025.

The WAC prices listed below and published by IBM Micromedex® REDBOOK®, are representative of the price paid by wholesalers, but the actual price paid by consumers may differ significantly. Further, the WAC prices listed here do not necessarily reflect price per dosage, price per course of treatment, or the cost effectiveness of each product.
